Dear Mr. Quirk,

I recently had the pleasure of selling my home with Betty McMahon. I would like to share with you a few of the attributes that Betty possesses that made the selling of my home a pleasant and stress free experience. I have purchased and sold homes previously, however I have never had the pleasure of working with someone as professional and caring as Betty was.

I found Betty to be:

- Down to earth
- Calm
- Worked at my pace
- Listened to my suggestions
- Negotiates with full explanations
- Extremely trustworthy
- Confidentiality was always a priority

I will not hesitate to refer my family and friends to Betty McMahon.

Regards,

*Tamera Johnson*
